

I am writing to let you know how much my family and I value our local K-LOVE station. Not only does it provide us with a local community calendar of family-friendly events, but in it's music, news, and encouraging words it strengthens our faith, which, in turn, strengthens our commitment to volunteerism, care, and love for our neighborhood, community, and beyond.

Our community is directly strengthened by our local K-LOVE station as our families, especially our children, are provided a moral, relevant, positive, encouraging, and Godly option to most of the other programming available on the FM radio. Please continue to allow the translator service in our area and please do not displace it with an LPFM broadcaster.

Thank you for considering my comments.
